

Welcome! Forming Your Team

We are excited and honored that you've chosen to form a team for the Donate Life Run/Walk! Teams play a very important role in the donate Life Run/Walk. So round up everyone you know, think of a catchy team name and get ready to join in the fun on May 1st.

Remember this is the chance to dress in your school colors, display your business name on your T-shirts, or do whatever you think will make your team stand out in the crowd and show your commitment to organ and tissue donation! A joyous and family fun time is guaranteed!
